**Re: Downers Grove Groundwater Investigation Site (the "Site")
Information Request, dated October 3, 2001**

Dear Mr. Dombrowski:

In connection with the response of Flexible Steel Lacing Company ("Flexco"), dated October 31, 2001, for the above-referenced Information Request, we wish to correct one of Flexco's responses. In Flexco's response to Request No. 6, Flexco indicated that the portion of the property at its facility acquired in October 1981 had not been developed. In lieu of that response, please substitute the following:

In October 1981, Flexco purchased property adjacent to the Facility. That property was developed as part of the 1982 expansion of Flexco's building. See attached document Nos. 06-003 to 06-004 and Flexco's response to Request No. 7.

If you have any questions regarding this supplement to Flexco's response to Information Request, please call.

Sincerely,

MICHAEL BEST & FRIEDRICH LLC

Andrew J. Warren
